4 February 1952

JIC 110-51

Attached are thermofax copies of items (1) through (7) of Annex 2 of JIC 110-51. The form of the attached papers is the form in which I intend to present this report subject to changes by you or by D/A through you.

Please comment on these papers and return them to me by 8 February with any corrections or changes either in form or text that is required.

I would also like to know the number of copies required by D/A for the final report and whether or not the report (or any part of it such as the charts) should be dittoed.

Item (8), Inputs, will be forwarded to you for similar comments as soon as it is prepared.

Items (9), (10), and (11) are partially included in this group of papers and will also appear as a portion of Item (8).
